Build and *Interiors.*

We turn empty rooms into homes.

Architecture, construction and interior design under one roof in Hyderabad. One team from the first sketch to the last cushion.

What we do

- **Interior design & styling**
  Space planning, modular kitchens, wardrobes, furniture, lighting and decor.
- **Architecture & planning**
  Floor plans, 3D elevations and Vastu-compliant layouts for Hyderabad plots.
- **Homes & villas**
  Independent houses, villas and apartments, built foundation to finish.
- **Renovation & remodeling**
  Upgrade tired spaces without compromising the structure underneath.
- **Project management**
  Clear budgets, fixed timelines and weekly progress updates.
- **Green & smart homes**
  Solar readiness, rainwater harvesting and smart home provisioning.
